Summary

The Nebraska Section of the Institute of Transportation Engineers (NITE), a section of the Missouri Valley District of ITE (MOVITE), celebrated its third year as a section in 2023. Through the leadership of our president, Garret Schram, the NITE Board continued its commitment to providing professional development opportunities for public and private sector transportation professionals across the entire state of Nebraska and the Iowa counties of Harrison, Mills, and Pottawattamie. NITE has also continued its support of the DriveSmart program.

Membership

Section membership remained almost the same compared to 2022 with 100 paid members in 2022 and 108 in 2023. All local NITE meetings were held in person in 2023. NITE resumed outreach to the local universities with a student meet and greet held at University of Nebraska-Lincoln (UNL) to help encourage participation of students. We plan to continue this event each fall alternating between UNL and University of Nebraska-Omaha (UNO) each year.

Activities

The 2023 Section calendar was filled with a variety of technical and social events. NITE held four general meetings (including the annual meeting); collaborated with ASCE and NSPE on two joint events; and held an member appreciation event. Additionally, the younger member committee held two events with one event in Lincoln and the second in Omaha. Section activities and notification of members was done electronically through email as well as the Section’s website. NITE continued using its social media account on LinkedIn to engage with our membership. Meeting minutes for each of the meetings are available in the **Appendix**. Each of the events is described below, followed by a summary of the meetings in **Table 1**.

- **March 2023:** The first general meeting of the year was held on March 1, 2023, in Council Bluffs at the River’s Edge Pavilion. The meeting featured Nick Johnson from HDR and Austin Yates from Iowa DOT, who gave a presentation on the Multi-Year Closure of Urban Interstate – TSMO Best Practices (**Figure 1**). The presentation covered the closures of I-29 through Council Bluffs and the challenges involved. (20 attendees)

- **September 2023:** The September general meeting was held in conjuncture with the UNL student meet and greet in Lincoln on September 28, 2023. Companies and agencies were able to sponsor a table at the meet and greet with all proceeds going to the Patrick T. McCoy Fund for Engineering Excellence. Dr. Nathan Huynh presented on The What, Why, and How of Transportation Equity following lunch. Then presentation was followed by a tour of UNL's new Kiewit Hall Engineering Building (**Figure 6**). (13 members in attendance)

- December 2023:** The NITE annual meeting was held on December 8, 2023. The meeting included the end-of-year business meeting, a speaker, a look ahead to next year, and some games. The new board member, Lamees Al Ghamari, was announced and Garret Schram was honored as the departing Section President (**Figure 8**). The speaker was Matt Neemann who presented on the recently completed Ashland Modular Roundabout. The meeting also featured a contest to build the tallest structure with a deck of cards. (50 members in attendance)

DriveSmart

This project was initiated in 2008 after the MOVITE president challenged local chapters to find ways to “make a difference” in their communities. In response, NITE (formerly LOCATE) developed an outreach program to educate local area high school students regarding safe choices when driving. The goal of the program is to discuss safe driving choices with teens that are either beginning to drive or have just begun driving. By introducing these topics to drivers at a young age, we hope to help them form good driving habits and raise their awareness regarding the various consequences associated with poor choices behind the wheel.

At the end of 2015, this program became independent of the LOCATE/NITE organization. However, it is still primarily staffed and run by NITE members and receives sponsorship through NITE. The program was run and maintained by Brian Johnson and Jake Weiss. Brian organized presentations and volunteers within Lincoln and Jake took care of Omaha area presentations. Lincoln area schools continued to be the main source of student reach for the DriveSmart program, driven by Nebraska DOT volunteers. Omaha area schools mostly consisted of Millard and Gretna schools. The program was able to reach 1,590 students in 2023. Cumulatively since its inception, the DriveSmart Presentation has reached over 31,539 students.

Looking ahead to 2024, Omaha’s Vision Zero plan may provide some content that can be incorporated into the DriveSmart Presentation. There are also plans to update/refresh the presentation with up to date statistics and more relevant information. Anything new, relevant, and fresh will likely result in a higher amount of participation and potential. Brian Johnson will be taking over as DriveSmart coordinator for both Lincoln and Omaha as we look to find a permanent coordinator for the Omaha area.

Younger Member Committee

As part of the ONE ITE initiative, the Younger Member Committee continued its goal of increasing participation among younger members and increasing our outreach with local university students for its second year. The Younger Member Committee is chaired by Tim Adams and other committee members include Kornel Gwiazdowski, Lamees Al Ghamari, Adam Gleason, and Bryce Hallmark. The committee met and planned an event at Wonderbowl in Lincoln and an event at Blue Sky Patio & Pickleball in Omaha. The plan moving forward is to hold events in both Omaha and Lincoln as well as getting involved with the student meet and greets.

Board Activities

The Board of Director’s met two times in 2023 to coordinate a variety of things from Section activities to the NITE Section transition. The first board meeting was held in person in Omaha and the second meeting was held virtually. Meeting minutes for each of the meetings are available in the **Appendix**. A summary of the meetings is shown in **Table 2**.

Leadership Transitions

The election for our 2024 Treasurer was held in late November of 2023. Two candidates vied for the position: Lamees Al Ghamari and Tyler Lerdahl. The candidate bios are included in the **Appendix**. This process was also administered through the election website, OpaVote. Private, electronic ballots were sent out to the membership and all voting was kept confidential. The cost to use the OpaVote voting system was \$10 for these elections. Voter turnout was strong, with 49 returned ballots. The results of the 2023 elections are shown below and can be found in the **Appendix**:

Finances

In 2023, NITE operated a deficit of about \$2,180. NITE was still able to continue its contributions to the following expenditures:

- Sponsorship of DriveSmart
- Free lunches for students attending general meetings
- Member Appreciation event
- Expenses related to the NITE website
- Miscellaneous meeting expenses

Annual dues and lunch costs charged to the members primarily covered the expenses related to general meetings and other operations of the Section, such as providing free meeting attendance (including meals) for students. 2023 member dues were \$20. At the end of 2023, the Section's account balance was \$5,425.81. The trend experienced by NITE in 2023 was rising lunch and venue costs compared to previous years. The Board will be looking for corporate sponsors starting in early 2024 to enable us to continue to subsidize lunch and venue costs for individual meetings. The Board will also be looking at event spaces that are either free or cheaper than what has previously been used. Finally, the Board intends to review member dues at the mid-year Board meeting to assess raising dues for 2025. These measures should allow NITE to operate with an even annual balance or at a surplus. The final 2023 Treasurer's Report, listing total expenses, revenues, and reserves, is included in the **Appendix**.

With the 2023 financial information, anticipated future expenses and income were estimated to develop a NITE Section budget for 2024. The 2024 budget will be approved by the Board of Direction in early 2024 and is included in the **Appendix**.

7. Meeting Pricing

- a. Do we need to change the meeting pricing structure?
 - i. Probably need to do \$20/\$25 for future meetings that have a room reservation fee.
 - ii. Should think about finding locations that won't charge to use the room (HDR, JEO, Nebraska BAR Association, UNL, UNO).

Election Results

Lamees Al Ghamari

ROADWAY DESIGNER

STATEMENT

I appreciate your consideration for this role. I joined NITE in August in 2022 and have been an active member in the NITE Young Members committee. I have been working with the Nebraska Department of Transportation in the Roadway Design Division since graduation. I work on the design of state highways that are in Districts 1 and 7. I am honored to be the first employee, in a long time, to earn a work visa sponsorship through NDOT! I was nominated in March of 2023 to represent Women in Transportation and nominated for an Excellence in mentorship award in June of 2023.
